LEDGEND

CLOSED BOOK -- no notes, texts, or supplements of any kind are permitted

LIMITED OPEN BOOK -- students may only use specific materials (please note that it is difficult to monitor the nature of the materials students bring into the exams and, unless there is an obvious violation, enforcement of this provision relies on the honor code)

OPEN BOOK: electronic materials and printed -- all printed notes, handwritten notes, textbooks, and supplements are permitted, and students may access the electronic materials stored on their computer. If the professor has chosen to allow internet access, students will also be able to access materials on the internet

OPEN BOOK: no electronic materials -- only printed notes, handwritten notes, textbooks, or supplements are permitted
